- **SCORING:** This pool rewards the underdogs you pick to continue to win. You get a point for the win PLUS the seed of the winning team in the second round. So if a #16 seed beats a #1 seed, you get 18 points for the win if you picked the #16 team in the first round. If that team continues to win again, you get 5+16 (21 points for second round). If you picked the #1 seed and they win, you get 3 points in first round and 6 points in the second round.
 - This seeded scoring continues through the entire game. You get the points for that round plus the seed number.

Scoring is the following:

First Four:	<i>Play-in games are not included or scored (games before 3/16)</i>
First Round:	2 pts + # of seed
Second Round:	5 pts + # of seed
